**Narrative**

On 05/25/2018 at approximately 1259 hours I was dispatched to an assault located at 12844 Military Rd S, Cascade Behavioral. Dispatch advised the incident occurred earlier in the morning between two patients.

I arrived on scene and was escorted in by Hospital staff member to a waiting room. I then met with the victim, [REDACTED]. [REDACTED] explained that she did not know who the person is that assaulted her and that the staff did not tell her. [REDACTED] advised that the suspect, identified as [REDACTED], kept threatening her then hit her from behind in the back of the head. [REDACTED] stated, "I already have brain damage. I have a knot on my skull" [REDACTED] claimed she had already talked with her Doctor's Office and they had advised her to get an xray. [REDACTED] then explained that the Hospital staff did not put [REDACTED] into seclusion after the incident. [REDACTED] then explained that [REDACTED] picked up four oranges and threw them at her. [REDACTED] then advised that she stated to [REDACTED], "Dude! You piss me off hard enough, I'm a [REDACTED] I'm gonna break your fuckin neck." [REDACTED] claimed that her head and neck hurt. [REDACTED] then advised that [REDACTED] kicked her in the back as well. I asked [REDACTED] if she was seen and evaluated by any medical staff. [REDACTED] stated, "Nope! Not at all." [REDACTED] claimed that she called her Doctor's Office and her mental health facility and advised them that the employees at Cascade Behavioral were refusing to take her to a hospital. [REDACTED] explained that she was told she has to get in to a hospital to be seen. [REDACTED] then stated, "So I'm gonna take these guys to court when I leave here."

I asked [REDACTED] if I could look at the back of her head for any injury. [REDACTED] then showed us her head. I could not see any injury to the back of [REDACTED]'s head. Officer Ruiz felt the back of [REDACTED]'s head and advised that he could feel a lump. I asked [REDACTED] where this incident occurred. [REDACTED] said upstairs on the lock down unit. I asked [REDACTED] what time the incident occurred. [REDACTED] did not know the time frame because they are not allowed to wear watches she claimed. I asked [REDACTED] if it was close to a half hour or few hours ago. [REDACTED] stated, "Um yeah, and then I called my clinic, they called Adult Protective Services. APS just saw me." [REDACTED] also stated, "They put me on medication, it wasn't working so I went nuts." [REDACTED] then showed us her back where she was kicked by [REDACTED]. We observed no injury or markings to [REDACTED]'s back. [REDACTED] explained that she did not fall when [REDACTED] kicked her but she tripped forward. [REDACTED] advised that three staff members witnessed the incident. [REDACTED] then pointed out a staff member standing in the hallway claiming that he witnessed the incident. The male staff member stated that he did not witness the event. [REDACTED] claimed that there was no argument or anything leading up to the assault. [REDACTED] advised that [REDACTED] is always calling her names though. [REDACTED] advised that [REDACTED] was wearing a burgundy Scrubs outfit. [REDACTED] stated, "He told me that If I call the Cops he was gonna kill me."

I asked [REDACTED] if [REDACTED] made any threats towards her during the assault. [REDACTED] said [REDACTED] stated, "You fucking dike bitch." [REDACTED] also said [REDACTED] told her he wanted to "beat her ass" several times.
